ISEP-Direct provides the opportunity to pay a fee to study directly at a host member institution.

Host Area Studies – Courses available to visiting international students about topics such as the culture and history of the country.

Minimum # Lang Semesters – The minimum number of college-level semesters of the host language that you should have taken before studying at this site. If blank, courses are in English or no previous language is needed.

Programs are available in 30 countries, in most of which you enroll directly into the host university and take courses with local students and professors. While there are many options if you wish to study in English, many sites do require proficiency in the host language.
