After Empire: The Collapse of Communism and Beyond

LOCATIONS AND PROGRAM DETAILS

The program provides visits to some of the most beautiful and historic cities in Estonia, Russia, and Ukraine. It includes one week in each country, with lectures in English by local professors on the challenges and effects of social, economic, and judicial reforms.

Week 1 in Estonia. Lecture topics include the Soviet collapse from the Baltic perspective, the issue of a Russian-speaking minority, and Estonia and the European Union, among others. Trips to the Parliament and one of the largest commercial banks are part of the program. Students also visit museums, attend a performance, and take a tour of Tallinn.

Week 2 in Ukraine. Lecture topics include the history of Ukraine to the present, the cultural identity of independent Ukraine, and challenges to the system of social protection and equity, among others. Meetings with Ukrainian politicians and foreign diplomats are included, as are a visit to Lavra Cave Monastery and an optional trip to Chernobyl.

Week 3 in Russia. Lectures topics include Russian debate on globalization, Russian economic and institutional reforms, and Russian accession to WTO, among others. Also offered are meetings with officials at St. Petersburg City Government, a tour of an industrial factory and of St. Petersburg, a performance at Mariinsky Theatre, and an excursion to the Hermitage and Tsarskoye Selo.
