

Are you ready to study abroad but can't decide where to go? Talk to your home ISEP Coordinator about the following quick pick lists. These ISEP-Exchange sites have good chances of placement, and the ISEP-Direct sites feature nontraditional academic programs.

STUDY IN ENGLISH ON ISEP-EXCHANGE

Bulgaria: The American University in Bulgaria is great for computer science, journalism, and international relations.

Canada: Study business, humanities, natural resource science, and more at 3 sites. Many outdoor activities available.

Finland: See northern lights and choose from nine sites with supportive ISEP Coordinators, exciting orientations, and regional excursions.

France: Explore engineering or business options in English at INSA Lyon and Amiens Picardy School of Management.

Hungary: The University of Debrecen features strong courses in history, languages, and music.

Poland: Study a variety of humanities, social sciences, and natural sciences at Wroclaw University.

STUDY IN ENGLISH ON ISEP-DIRECT

Brazil: Study in English or learn Portuguese at Fundação Armando Alvares Penteado. Semester and summer options available.

Czech Republic: Take Central European studies or a certificate course in teaching English as a foreign language at Masaryk University.

Estonia: Features European studies and humanities courses in English at the University of Tartu, Estonia's largest university.

Fiji: Explore a variety of interesting courses including marine science and tourism at the University of the South Pacific.

Ghana: The University of Ghana features African drumming, agriculture, and volunteer opportunities.

Italy: Study business and international relations in English or begin learning Italian at Università Cattolica del Sacro Cuore.

Enhance your résumé by studying abroad in a nontraditional destination. Choose from a variety of options in English with no language prerequisites, or kick start your career by gaining the language skills necessary for an increasingly global society.

STUDY GERMAN, FRENCH, OR SPANISH

Austria: Beginner German language courses with many options in English at 4 sites.

Germany: TU Braunschweig and Universität Bielefeld offer full immersion in German with some courses in English.

France: Beginner to advanced French with some regional excursions at Université de Savoie and Université Paul Valéry.

French Islands: Immersion in French at 3 sites in the Caribbean and one site off the coast of Africa.

Argentina: Experience Argentine culture and take beginner Spanish at Universidad del Salvador.

Puerto Rico: Live the Caribbean lifestyle with immersion in Spanish; some textbooks in English at 2 sites.

STUDY CRITICAL NEED LANGUAGES

China: Learn Chinese or take business courses in English at Jiangxi University of Finance and Economics.

Estonia: Summer or semester language courses in Russian and Estonian with excursions to bordering countries at the University of Tartu.

Latvia: Russian and Latvian language courses available with regional excursions at the University of Latvia.

India: Study Hindi, Telugu, Urdu, and Sanskrit and take courses in English at the University of Hyderabad.

Korea: Experience Asian culture. Take courses in English or learn Korean, Japanese, or Chinese at 5 sites.

United Arab Emirates: Learn modern standard Arabic and take courses in English at the University of Sharjah.
