

ISEP-DIRECT PROGRAMS AND COSTS 2011-12

ISEP-Direct programs are non-exchange study abroad programs. Students pay a fee to ISEP for each program period. Most programs include tuition, housing and meals. See the ISEP website at www.isep.org for complete details and current costs.

Programs with an asterisk (**MIT University***) have an alternate benefit package available, listed [here](#). Unless one of the alternate benefit packages is specifically requested, the student will be enrolled in the default (most comprehensive) package listed below.
