

ISEP-DIRECT USA PROGRAMS AND COSTS 2009-10

ISEP-Direct USA programs are fee-paid study abroad programs for students coming to the United States from international ISEP affiliate institutions. Students pay a fee to ISEP ranging from \$8,600 – \$15,900 per semester. All program fees include tuition and housing. Meal provisions vary from full meal plans, partial meal plans, or no meal plans to allow for flexibility and cost savings. Summer programs may be available upon inquiry if indicated below; please ask your home coordinator to contact ISEP.
