Language Pre-Sessions: Brush-Up for Study in HOST LANGUAGE

Many sites offer language pre-sessions to help students brush up their German before classes. It is often included, but depends on the university. If students plan to participate in an intensive language program, a pre-session most likely isn't provided since much of what would be included in a language pre-session will be covered during the semester. Please consult the ISEP Catalog's German Language Chart for more information at http://www.isep.org/Downloads/courses_forms/German_Language_Advising_Chart_2008.pdf.

Where are all of these universities?!?
See map on page 24/25 in ISEP Catalog.
